To: Saint, Germany  
From: DB5  
Subject: Memoranda, CIANO to MUSSOLINI.

1. We refer to your Cable 1307, dated 6 July 1945.

2. We have been requested to ascertain the whereabouts of the memoranda from Count CIANO to MUSSOLINI, mentioned in the above reference as being either in the EDS Section of SHAEF or the 12th A.G. Documents Section. When the documents are located, we will appreciate knowing which of the memoranda have been found.

3. As Frau BEETZ is last reported to be in the American Zone may we request that she be interrogated, once again, on these documents? We would like to know if the documents mentioned above are those that were hidden at RAMIOLA. If the documents are not those hidden at RAMIOLA, were the documents hidden there destroyed or captured by the Germans? If the documents hidden there were not destroyed, where were they moved? If they were moved, where may they be found now?

4. We would appreciate a reply at your earliest convenience.
